### **Bath**

**To dream that you are taking a bath signifies a cleansing of your outer and inner self. You are washing away the difficult times.** This dream may also be symbolic of ridding yourself of old ideas, notions, opinions, and other negativities. Your dream may be pointing toward forgiveness and letting go.

To dream that you are bathing someone suggests that you are seeking a closer connection with that person. It also points to your nurturing side.

<http://dreammoods.com/cgi-bin/dreamdictionarysearch.pl?method=exact&header=dreamsymbol&search=BATH>

### **Blood**

To see blood in your dream represents life, love, and passion as well as disappointments. If you see the word "blood" written in your dream, then it may refer to some situation in your life that is permanent and cannot be changed. If something else is written in blood, then it represents the energy you have put into a project. You have invested so much effort into something that you are not willing to give it up.

**To dream that you are bleeding or losing blood signifies that you are suffering from exhaustion or that you are feeling emotionally drained. It may also denote bitter confrontations between you and your friends.** Your past actions has come back to haunt you. Women often dream of blood or of someone bleeding, shortly before or during their periods or while they are pregnant. If you dream that you are giving or donating blood, then it suggests that you are feeling physically drained due to stress. ♦ If blood is squirting everywhere, then the dream implies that you are experiencing some deep emotional stress. You are literally bursting. ♦

To dream that others are bleeding signifies an emotional cry for help.

**Your dream seems to be telling you to change the way you live your life because it is a lonely life weighed down by too much responsibility and caution.**

#### Market

To dream that you are in a market represents some emotional or physical need that you are currently lacking in your life. You may be in need of nurturance and some fulfillment. Consider the specific items that you are shopping for. Alternatively, the market signifies frugality.

**To see an barren market in your dream signifies depression and gloominess.**

There is a void in your life. If the market is large or well-stocked, then it means possibilities and choices.

<http://dreammoods.com/cgi-bin/dreamdictionarysearch.pl?method=exact&header=dreamsymbol&search=SHOP>

#### Friend

To see friends in your dream signify aspects of your personality that you have rejected, but are ready to incorporate and acknowledge. The relationships you have with those around you are important in learning about yourself. Alternatively, dreaming of a friend indicates positive news. ♦

To see your childhood friend in your dream signifies regression into your past where you had no responsibilities. Things were much simpler and carefree. You may be wanting to escape the pressures and stresses of adulthood. Consider the relationship you had with this friend and the lessons that were learned. Alternatively, the childhood friend suggests that you have been acting in a childish manner. You need to start acting like an adult.

To dream that your best friend is dying suggests that some aspect or quality that your best friend possesses is dying within your own self.

Walaikum As-salaam Dr. Azam,

|

Thank you so much for your reply. Please accept my sincere apologies for not replying to you sooner. I have no excuse to offer and can truthfully say that the shaitaan was perhaps the only obstacle.

|

I am a 26-year-old, Sunni Muslim, and live in Toronto, Canada. I completed my Honours Bachelor of Arts degree last year in August, and have been looking for work ever since. I am currently working on four volunteer projects in the human/social services field and looking for paid work in the same area. However, I strongly feel that the time has now come in my life to also make the time and effort to grow as a believing, pious, and righteous muslim. Ameen!

|

I will, Inshallah, go through your website and get back to you with feedback as soon as possible. It is really kind of you to even consider letting me help with your Islamic work, using my academic background. We can only pray that Allah leads us onto some work that is mutually suitable and beneficial overall. Ameen!

|

Thank you once again,

**Asalaamualaikum.**

**I stumbled across your website during a google search. I am from Manchester too, but I have been trying to find someone who can provide guidance on**

dreams for over a year without success. I was wondering if you could help me? I've read dream interpretation literature, but I have specific questions about my dreams. The dreams I need interpreting are of a specific theme. The mother of a friend, who I have never met before, passed away in 2009. Since 2011 she has been appearing in my dreams, telling me stories about her son, his childhood and his personality that I would never have known otherwise, and which have all been verified as being true stories by my friend.

She takes me to places in my sleep that I have never seen before, and when I tell my friend about these places, they are all places that are personal to her that I would never be able to describe or attribute to his mother without being told about them. She even took me to her grave-side in one dream, and in one dream she put a gold and pearl necklace around my neck.

If you are able to help me at all, I can provide more detail about my dreams. My friend is very distressed and the only thing we can think of is to pray for her. However, I want to know why I am having these dreams?

I hope this email can be kept entirely confidential and professional, as this is not something I have revealed to any third person.

I would be extremely grateful if you would treat this as urgent, and let me know by return if you are able to help or not.

JazakAllah

Kind Regards,  
Nasreen

Wa laikum salam, Nasreen and thank you for your email. I believe your dreams are nothing to worry about, so you don't worry and tell your friend not to be anxious either. Your dreams seem to be a Message from your friends mum to marry her son if he is not married. She will be glad to welcome you as a daughter in law, even though she has passed away. Dr Umar

YOU SAID IT, NASREEN. IF YOUR FRIEND'S MOTHER DIDN'T WANT HER SON MARRIED TO YOU, WHY WOULD THE GOLD NECKLACE BE GIVEN TO YOU AND WHAT NEED WOULD YOU HAVE TO KNOW ABOUT HIM OR BE PATIENT WITH HIM? HOWEVER, THAT WOULD BE THE CASE IF ALL THE DREAMS WERE TO BE TRUE [AND I THINK THEY SOUND TRUE!].

**Since last many day I saw a dream.**

I have got many golden bees. A man whome i know him (who is my relative & enemy) is behind those golden bees. I am trying to level best to hide it here & there. I also saw costly musuem statues . I also saw that man was very close to the golden bees.

I donot remember the whole dream but when my dream broke that man was very close to the golden bees & I have forgotten where I have hidden those bees, but any one of the two i.e. inside a house wall or inside a large parcel that are used to carry the costly museum statues. In my dreams i realised that those statues are sold to the foreigners.

After I wake up I seek forgiveness from Allah for the removal of problems of the dreams.

It is usual practice that on almost after waking up from every dream I seek forgiveness from Allah for the removal of problems of the dreams.

**NOT ALL DREAMS ARE TRUE OR HAVE DEFINITE MEANINGS. HOWEVER, I WILL TRY TO GIVE YOU AN INTERPRETATION. YOUR DREAM APPEARS TO**

**BE TELLING YOU THAT YOU HAVE COMMUNICATION PROBLEMS WITH YOUR ENEMY-RELATIVE. IT COULD BE THAT YOU ARE THINKING OF MOVING ABROAD [SYMBOLISED BY FOREIGNERS] OR HE IS. THAT WILL RESULT IN BEING BUSY AND SUCCESSFUL [BEES]. YOU WILL NOT ACCEPT DEFEAT [GOLD].**

**Bees**

To see bees in your dream symbolize wealth, good luck, harmony, creativity and bliss. ♦ Bees are also symbolic of hard work and industry as represented by the common phrase "busy as a bee." ♦ Your hard work will pay off in the end with sweet results. Alternatively, the dream represents the things that are happening in your life or something that is buzzing with activity. Is there a lot going on in your life?

<http://dreammoods.com/cgi-bin/dreamdictionarysearch.pl?method=exact&header=dreamsymbol&search=BEES>

**Statue**

To see people you know as statues in your dream symbolize a lack of communication with that person You feel that the relationship is inflexible, unyielding or going nowhere. Alternatively, it may represent someone you idealize and admire. You are putting someone on a pedestal. Perhaps the dream is analogous to their statuesque and nice figure.

To dream that you are a statue signifies that your true self is out of touch with reality.

<http://dreammoods.com/cgi-bin/dreamdictionarysearch.pl?method=exact&header=dreamsymbol&search=STATUES>

**Gold**

The golden color reflects a spiritual reward, richness, refinement and enhancement of your surroundings. ♦ It also signifies your determination and unyielding nature.

**Since many days I saw a dream.**

I saw I am sitting on the back of a elephant. The elephant was moving inside a forest road or a village road with many trees. I saw a person also sitting on a elephant coming opposite toward me. I aslo saw a beautiful girl cutting a top branch of a tree with a small axe. I have forgotten whether that girl was the same person who was sitting on a elephat and coming opposite towards me. I moved on the moving elephant & saw something I donot remember (may be a person male or female or a very small village). Then I moved on the elephant & saw a women laying outside a house & showing me her private part (sexual part). All of a sudden I found myself standing on a platform (wooden platfrom made by hunters to stay on night on the top of a tree to escape from the attack of wild animals) on top of a tree. I can look down and can see many people. I found my cousin sister with very beautiful face wearing western dresses standing with me on the platform. I got exited and keep my hand on her waist. She smiled lovingly looking towards me. I got delighted.

**After I woke up I seek forgiveness from Allah Taala for the removal of problems of the dream.**

**YOUR DREAM, IF TRUE, COULD MEAN THAT YOU NEED TO BE MORE UNDERSTANDING OF YOUR COUSIN SISTER OR YOU ARE HOLDING ON SOME WISH TO BE CLOSE TO HER FOR TOO LONG. YOU UNDERSTAND THAT I CAN'T SAY MORE DUE TO LACK OF KNOWLEDGE OF YOUR PERSONAL MATTERS.**

**Elephant**

To see an elephant in your dream indicates that you need to be more patient or more understanding of others. Or perhaps there is a memory that you are holding on to for too long. You need to let go of the past. The elephant is also

a symbol of power, strength, faithfulness and intellect. Alternatively, the elephant's introverted personality may be a reflection of your own personality. In particular, if you see a white elephant, then it symbolizes royalty.

To dream that you are riding an elephant indicates that you are in control of your unconscious and aspects that you were once afraid of.

To dream that you are afraid of the elephant suggests that there is an enormous problem that you are afraid to confront.

**WEDNESDAY 29 FEBUARY 2012**

I am a traveller. I have lost my way. I visit many places. I climb up on roof, buildings, walls & trespass areas. At last, I was very fed up. At last I reached near a road where passenger four-wheeler [mini bus or open small truck that I do not remember exactly are passing. I don't know where to go. I decided to take any one and travel to that place where it is going. I took the passenger vehicle. It departs and stops in a place where I saw many skeletons of my relatives kept on an open rack. Some skeletons are as thin as paper. I also saw a house nearby, upon its roof was sitting a huge snake. That was very large snake that it is sitting erect with its head expanded like umbrella covering the roof of the house. I was in a hurry for the burial [[Janazah] of my relatives' skeleton by giving payment to any other person and have thought that the passenger vehicle will leave if I got late. I saw an occupant of the house from outside visibly from the open door. I took two skeletons in my hand and one or two on my shoulder for dealing him for the burials [Janazah] of my relatives' skeletons. But I saw the snake and do not move near the house.
